This Cookie Policy is issued by CAA Media SRL as owner of this Website and data controller. The use of cookies and similar technologies on this Website is governed by Article 5(3) of Directive 2002/58/EC (the ePrivacy Directive), Article 10/2 of the Belgian Act of 30 July 2018 on the protection of natural persons with regard to the processing of personal data, and Regulation (EU) 2016/679 (GDPR). Effective 15 October 2026. Version 2.0.

01 What Are Cookies?

Cookies are small text files that a website stores in your browser when you visit it, and reads again on later visits. Similar technologies, such as your browser's local storage, store information on your device in the same way. This policy covers both, and refers to them together as cookies.

Cookies set by the website you are visiting are first party cookies. Cookies set by another company through that website are third party cookies. Session cookies are deleted when you close your browser. Persistent cookies remain until they expire or until you delete them.

Some cookies are strictly necessary for a website to work, for example to keep you signed in or to remember your shopping bag. These do not require your consent. All other cookies, such as those used for analytics or advertising, may only be placed with your prior consent.

02 Cookies Used on This Website

This Website only uses cookies that are strictly necessary to provide the service you request, to verify your age, to process your payment securely, or to remember choices you make on the Website. **It does not use**

analytics, advertising, social media or other tracking cookies. For this reason no cookie banner is shown and your consent is not required.

Strictly Necessary Cookies, First Party

These cookies keep the Website secure and make it work. They maintain your session, protect forms against misuse, keep you signed in and remember your shopping bag. They cannot be switched off without breaking these functions.

Legal basis. Exempt from consent under Article 5(3) of the ePrivacy Directive and Article 10/2 of the Belgian Data Protection Act, as strictly necessary for a service you explicitly request. Any personal data involved is processed under Article 6(1)(b) GDPR, to provide the service you ask for, and Article 6(1)(f) GDPR, our legitimate interest in keeping the Website secure.

NAME	PURPOSE	DURATION	PARTY
XSRF-TOKEN	Protects forms on the Website against cross site request forgery	<u>2 hours</u>	First party
<u>iconyc_session</u>	Maintains your session, sign in status and shopping bag as you move between pages	<u>2 hours</u>	First party
remember_web_*	Keeps you signed in on this device, only when you tick "Remember me"	<u>[duration]</u>	First party

Payment Cookies, Stripe, Third Party

Payments on this Website are processed by Stripe. When you go to checkout, Stripe places the cookies below to process your payment securely and to detect and prevent fraud. They are only used on checkout pages.

Legal basis. Exempt from consent as strictly necessary to complete the payment you request and to keep it secure. Personal data is processed under Article 6(1)(b) GDPR, to perform your purchase, and Article 6(1)(f) GDPR, the legitimate interest in preventing fraud. Stripe acts as our processor for payments and as an independent controller for its fraud prevention data.

NAME	PURPOSE	DURATION	FURTHER INFORMATION
__stripe_mid	Fraud prevention, helps Stripe assess the risk of a payment attempt	1 year	Stripe cookie policy
__stripe_sid	Fraud prevention during your checkout session	30 minutes	Stripe privacy policy
m (m.stripe.com)	Fraud detection by Stripe	As set by Stripe	Stripe cookie policy

Card payments, Apple Pay and Google Pay are handled through Stripe and your device or browser wallet, and do not place further cookies on this Website. If you choose Klarna or PayPal, you are taken to their own pages to complete the payment, where they place their own cookies under their own cookie policies.

Settings and Age Check, Browser Storage, First Party

These entries are stored in your browser to remember how you use the Website, such as your display theme, open or closed menus and the state of the audio player, and to apply the right legal drinking age for your country. They stay on your device and are not used to track you.

Legal basis. Exempt from consent as strictly necessary to remember settings and choices you make on the Website, and to carry out the age check required by law before alcohol content is shown.

NAME	PURPOSE	DURATION	PARTY
theme	Remembers your display theme	Until you clear your browser data	First party
isOpen, isOpenDesktop, collapsedGroups, _x_open	Remember whether menus and panels are open or closed	Until you clear your browser data	First party
tnsApp and keys beginning with t	<u>Store the state of the audio player and site interface</u>	Until you clear your browser data	First party
ageVerified	Remembers that you passed the age check, so you are not asked again during your visit. Your year of birth is not stored	Until you close your browser	First party
ipgeoapi:data	Stores your approximate country, derived from your IP address, to apply the legal drinking age for your location	Until you close your browser	First party

03 Third Party Content

Icons on this Website are provided by Font Awesome, a service of Fonticons, Inc., United States, and are loaded from its servers. Font Awesome does not place cookies on your device, but your browser connects to its servers to load the icons, which means your IP address and basic browser information are transmitted to Fonticons, Inc. More information is available in the [Font Awesome privacy policy](#).

To determine your country for the age check, your IP address is sent to our geolocation service at ipgeoapi.drands.es, operated on our behalf by ICONYC Solutions SL, Spain. Only your approximate country is kept, in your browser, for the duration of your visit.

Some forms on this Website, including the age check, are protected against automated abuse by Cloudflare Turnstile, a service of Cloudflare, Inc., United States. It analyses technical signals from your browser to distinguish people from automated programs and does not use them for advertising. More information is available in the [Cloudflare privacy policy](#).

This Website does not embed social media plugins. Links to ICONYC on Instagram, Facebook, YouTube, X, SoundCloud, Beatport and DI.FM are plain links. Those platforms only place their own cookies once you visit them, under their own cookie policies, which this policy does not cover.

04 Managing Cookies

As this Website only uses strictly necessary cookies, there are no optional cookies for you to accept or refuse.

If we introduce analytics or any other optional cookies in future, we will update this policy first and ask for your consent through a banner before any such cookie is placed. Accepting and refusing will be equally easy, and you will be able to change or withdraw your consent at any time, as easily as you gave it. Withdrawal does not affect the lawfulness of processing carried out before it.

You can also block or delete cookies in your browser settings. Please note that blocking strictly necessary cookies will prevent you from signing in and completing purchases. Instructions for the most common browsers are available below.

05 Data Disclosure and International Transfers

Information collected through cookies is processed by authorised staff of CAA Media SRL and by service providers acting on our behalf under written data processing agreements, including ICONYC Solutions SL, which hosts the Website on its own servers in Spain, and Stripe for payments. Stripe also processes fraud prevention data as an independent controller. We do not sell this information or share it for advertising.

Where information is transferred outside the European Economic Area, including to Font Awesome, Cloudflare and Stripe group companies in the United States, we rely on an adequacy decision of the European Commission, such as the EU US Data Privacy Framework where the recipient is certified, or on the Standard Contractual Clauses approved by the European Commission. You can request a copy of the relevant safeguards at privacy@iconyc.cc.

06 Your Rights

In relation to personal data collected through cookies, you have the following rights under Articles 15 to 21 of the GDPR.

- **Right of access.** To ask whether we process your data and to receive a copy.
- **Right to rectification.** To have inaccurate or incomplete data corrected.
- **Right to erasure.** To have your data deleted where it is no longer needed or lawfully processed.
- **Right to restriction.** To have processing restricted in certain circumstances.
- **Right to object.** To object to processing based on our legitimate interests.
- **Right to data portability.** To receive your data in a structured, machine readable format.
- **Right to withdraw consent.** To withdraw any consent at any time, without affecting earlier lawful processing.
- **Right to complain.** To lodge a complaint with the Belgian Data Protection Authority (Gegevensbeschermingsautoriteit, Autorité de protection des données) at www.dataprotectionauthority.be.

To exercise any of these rights, contact us using the details in section 07. Requests are free of charge and answered within one month, which may be extended by two further months for complex requests, in which case we will tell you why.

07 Data Controller and Contacts

For any question about this Cookie Policy or your personal data, contact the data controller free of charge using the details below. Further information is available in our [Privacy Policy](#).
